

PULASTIC® SPORTS FLOORING

THE WORLDWIDE NO.1 MULTIFUNCTIONAL SPORTS FLOOR FOR INDOOR AND OUTDOOR USE

PULASTIC® SPORTS FLOORING

THE WORLDWIDE NO.1 MULTIFUNCTIONAL SPORTS FLOOR FOR INDOOR AND OUTDOOR USE WITH DEDICATED SOLUTIONS FOR FITNESS AND TENNIS

PULASTIC® EXPERIENCE

Selecting a sports floor is probably one of the most important aspects of designing a sports facility. A sports floor needs to be multifunctional and cost-effective, suitable for all sports and different types of users. It also needs the ability to host cultural events, exams, exhibitions, and so on. Besides a new installation Pulastic® offers several refurbishments programs that helps you improve the longevity of your existing sports floor. Pulastic® gladly offers it 50 years of experience in sports flooring.

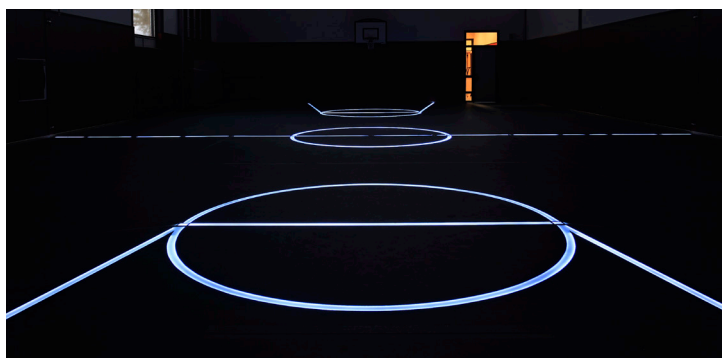

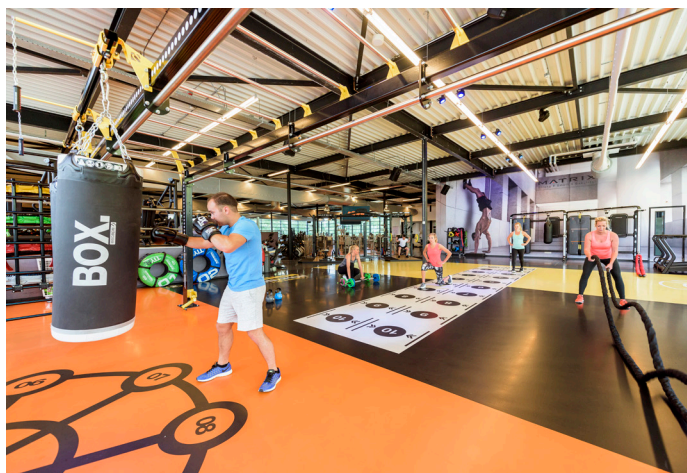

ADVANTAGES OF PULASTIC SPORTS FLOOR SOLUTIONS

- Seamless, non-porous and smooth surface for easy maintenance, repair and resurface procedures
- Optimum sports comfort and injury prevention
- Optimal balance between friction and slide
- Resilient and durable
- High level of multi-purpose use
- Low total cost of ownership
- Wide colour selection with outstanding colour fastness
- Wear resistant water based products
- Sustainable through a high content of recycled material
- Meets the indoor air quality standards
- Meets all major international (sports) standards
- Large range of solutions: point- and mix-elastic up to area and combi-elastic sprung floors
- Acoustic solutions
- High performance sports flooring with state of the art light technology

SEAMLESS CONSTRUCTION

Pulastic® sports floors are composed as follows:

- A special prefabricated granular rubber or foam shockpad. The thickness depends on the final requirements and level of comfort versus multipurpose use. The shockpad is bonded to the subfloor with solvent free adhesive
- Porefiller and structural self-levelling polyurethane layers are applied
- A matt and slip resistant water based sealcoat finishes the floor
- Court marking with durable water based linepaint
